

## ABOUT THE LOCATION

This DART facility is where the buses refuel, get repaired, and park between routes. Your customers are the DART employees—the hardworking mechanics, drivers, and staff who keep Dallas moving. It's a consistent weekday opportunity with reliable demand and a loyal crowd that appreciates great food and friendly service.

## VENDOR EARNINGS

This is an unpaid placement, and vendors make money solely from the sales generated onsite during their assigned slot.

## ON-SITE AMENITIES

An electrical outlet is available and accessible from the designated parking area for vendors who need power during service. Extension cord not provided.

## ESTIMATED HEADCOUNT

Approximately 20–50 employees per shift. Consistency is key with this partner. Vendors who show up regularly see stronger sales and customer loyalty over time.

## PRIVATE OR PUBLIC

This placement is on private property through our official partnership with DART.
